About Us

The Watsonian Motorcycle and Sidecar Co' - We've been making great British sidecars in the Heart of England since 1912 and from 1999-2012 we distributed Royal Enfield motorcycles in the UK. During those 14 years we re-established this historic British marque in its spiritual home and sold thousands of bikes. We have now opened our first retail showroom and plan to become the UK's number one destination dealership, with great deals and a friendly, open and honest attitude. The kettle is always on and we would like to welcome you very soon.
