## Description

THE BIKE SPECIALISTS, TRADING STANDARDS AWARD WINNERS. Bike ID:#10702 Here we have for sale another stunning Ducati Hypermotard 1100 Evo. Our UK 2011 bike is supplied in standard condition and has only covered 7,235 miles from new. The bike is supplied with 2 keys, Ducati material wallet containing the owners manual and service book showing 4 stamps with the last being carried out on 19.09.2025 @ 6,677 miles. The bike will receive a full annual belt service and fresh MOT prior to sale. "The 2011 Ducati Hypermotard 1100 EVO is a raw, aggressive supermoto powered by a 1,078cc air-cooled L-twin engine producing 95 horsepower and 76 lb-ft of torque. Compared to earlier versions, the EVO shaved off 5.2 kg (11.5 lbs) from the engine using lighter internals and magnesium covers, while gaining a higher compression ratio, an oversized oil cooler, and a cleaner digital dashboard. Known for its upright riding position, signature dry-clutch rattle, and high-quality Brembo brakes, it offers an analog and wheelie-prone riding experience completely devoid of modern electronic aids like traction control or ABS." We are a family-owned company who pride ourselves on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual used Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have to pinch ourselves when we get certain bikes in as we would like to keep them all! We cater for very specialist tastes
