Description

THE BIKE SPECIALISTS, TRADING STANDARD AWARD WINNERS. Bike ID: #10651 We are pleased to offer for sale this concors British classic, the BSA Goldstar DBD34. Our "Goldie" is in show condition and was first supplied to a customer in Finland in May 1959 with a view to racing the bike. The bike remained overseas until it was brought back to the UK in August 2008. The bike then went through a full restoration process with Goldstar Guru Phil Pearson totally rebuilding the engine. Other work carried out included the fitting of an electric start (at a cost of £1,500), RRT 2 close ratio gearbox, GP carb, Lyta fuel tank and Taylor Dom top yoke. The bikes file includes many receipts and invoices showing parts and invoices running into several thousands of £££ as well as old MOT's and tax discs. Introduced in the late 1930s as a 350cc or 500cc quick road bike and became the quintessential 'Café Racer' developed throughout its life until production ceased in 1963. A chance to own a real British Iconic classic that would sit in any collection as well as a great ride out on a Sunday to those classic bike meetings. The bike will receive a fresh service and MOT prior to sale. We are a family-owned company that prides itself on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual used Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no-pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have to pinch ourselves when we get certain bikes in as we would like to keep them all! We cater for very specialist tastes and can usually source rare and coveted bikes that we do not have in stock and have lots of contacts throughout the world.
