Model Year	**2009**		

Description

THE BIKE SPECIALISTS, TRADING STANDARD AWARD WINNERS. Bike ID: #10655 We are pleased once again to be able to offer the opportunity to purchase the ultimate collectable Ducati... the stunning Ducati Desmosedici D16RR. Our latest addition to the showroom is this immaculate and hard to find "Rosso" Version which has covered just 2,000 miles from new! Our 2 owner UK January 2009 example has been owned by its current owner since October 2009 and sat on display within a collection since 2014. It is in "out of the box" condition and represents an excellent investment opportunity. One of only 1500 Desmos produced and even more so one of just 700 Rosso red examples, this is numbered #1433 and comes with the spare key, handbook with manuals, service book, Data tag, Date analyser, original exhaust, carbon trim, tool kit and ECU. Our stunning bike is also supplied with the original paddock stand. The bike will receive a full service and fresh MOT prior to sale. "Theres no other way to describe the Ducati Desmosedici RR than as a MotoGP bike with lights; it really is that close to the real thing. The 200bhp motorcycle is a replica of Ducatis Desmosedici GP6 MotoGP machine, which Loris Capirossi and Sete Gibernau rode in 2006 and features the same chassis layout, bodywork and long bang 989cc V4 engine architecture. There has never been a road motorcycle like the Ducati Desmosedici RR, its so stiff, fast and focussed that it makes R1s seem soft and cuddly by comparison." - MCN We are a family-owned company that prides itself on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual used Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no-pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have
