BRAND NEW 2026 APRILIA RS 660 FACTORY, BRAND NEW, UN-REGISTERED, IN STOCK & SAVING £2400 on RRP! The Aprilia RS 660 is the benchmark for a new generation of lightweight, high-performance motorcycles – a segment it created to express a fresh vision of sportiness. Experience the perfect balance of power, agility and advanced technology, reinforced by the RS 660's success in every championship it competes in. A powerful Euro 5+ twin-cylinder engine, racing-inspired aerodynamics with winglets and an advanced APRC electronics package all add up to a performance that is outstanding both on the road and on the track. For adrenaline seekers, the popular and highly anticipated RS 660 Factory takes exclusivity to the next level with Öhlins suspension, premium components, a pure racing soul and a true top speed of 240 km/h. Take your fun quota to the next level. The front-facing 660-cc Euro 5+ twin-cylinder engine unleashes 105 hp, delivering exceptional performance for its displacement. Serving as a structural component alongside the twin-spar aluminium frame, it creates a rigid yet lightweight setup, keeping the total curb weight at just 183 kg. Combined with Aprilia's refined chassis engineering, this ensures outstanding stability and precision through every turn. The optimised seat-handlebar-footboard configuration offers a comfortable yet active riding posture, providing excellent road comfort and absolute control during sports-style riding. As the only true thoroughbred in its segment, the RS 660 is designed to keep the thrills coming corner after corner. Part Exchange
