Description

The 2017 Triumph Thruxton 1200 R is a quintessential modern classic café racer, masterfully blending authentic 1960s British racing heritage with high-torque parallel-twin performance, top-tier chassis hardware, and timeless road presence. Finished in vibrant factory Red, its sculpted fuel tank with a Monza-style filler cap, gold upside-down front forks, classic wire-spoked wheels, and twin brushed exhausts give it an unmistakable, head-turning look. Having covered just 8,342 miles from new with only one owner, this well-cared-for R-spec machine represents a fantastic opportunity to acquire Triumph's flagship café racer. At its heart sits Triumph's high-power 1,200cc liquid-cooled parallel-twin engine, engineered to deliver thrilling low-to-midrange torque, effortless roll-on acceleration, and a deep, resonant British twin soundtrack. Light lever action is assured via a torque-assist clutch, while handling dynamics are razor-sharp and poise-inspiring, supported by fully adjustable Showa Big Piston front forks, twin Öhlins rear shocks, and high-specification Brembo radial brakes for exceptional stopping power. Equipped with iconic café racer styling details, modern rider tech, and factory provenance, this Thruxton 1200 R comes feature-packed. Aesthetic and cockpit highlights include bar-end mirrors, a brushed Monza-style filler cap, wire-spoked wheels, LED lighting, and classic dual display instrumentation. It comes complete with two original keys. Supplied with a fresh oil and filter service, 37-point comprehensive health check, and fully valeted giving you complete confidence when buying from CMC. 8342
