Description

The 2022 Husqvarna 700 Supermoto is an absolute powerhouse of a large-capacity supermoto, masterfully combining lightweight agility with explosive single-cylinder performance, top-tier chassis components, and head-turning custom styling. Finished with custom graphics kit accents, a fitted tail tidy, and high-end carbon engine covers, its aggressive minimalist bodywork and high-riding stance give it an undeniable, razor-sharp road presence. Having covered just 2,132 miles from new under 2 owners, this low-mileage machine represents an exceptional opportunity to acquire Husqvarna's benchmark street supermoto. At its heart sits Husqvarna's high-tech 693cc single-cylinder engine, engineered to deliver thrilling, instantaneous throttle response, massive punch throughout the rev range, and a raw exhaust note enhanced by a fitted Yoshimura sports exhaust silencer. Handling dynamics are razor-sharp and track-ready, supported by fully adjustable WP suspension, a lightweight trellis frame, 17-inch supermoto wheels, and high-performance Brembo disc braking backed by lean-sensitive Traction Control and standard ABS. Equipped with premium custom upgrades and essential street protection, this 701 Supermoto comes feature-packed. Protective additions include Omega carbon engine guards, carbon engine covers, and protective hand guards. Cockpit controls feature selectable Rider Modes and a clean digital display dash. Supplied with a fresh oil and filter service, 37-point comprehensive health check, and fully valeted giving you complete confidence when buying from CMC. Two
