Description

BRAND NEW 2026 MODEL APRILIA SX 125 E5+, IN STOCK NOW & SAVING £500 on RRP The Aprilia SX 125 is the perfect fun bike for demanding young riders seeking the best performance in the category along with the look and technical solutions of a higher-displacement vehicle. A mix of agility, sportiness and technology distilled in a versatile motard with an aggressive design. Can be ridden with an A1 licence and is powered by a Euro 5+ single-cylinder designed to get the adrenaline pumping with every daily outing. The tapered design and glossy black finishes showcase an aggressive personality that is impossible to ignore. Alongside sheer enjoyment the Aprilia SX 125 offers total control, courtesy of its 17” spoked wheels and sports-style road tyres. The dual-disc brake system with floating callipers includes Bosch ABS up front with anti-rollover for precision and total control, regulating rear wheel lift during more extreme braking manoeuvres. The Aprilia SX 125 never goes unnoticed. Its bodywork, extending seamlessly from the front to the rear in a horizontal flow, takes inspiration from the latest motard trends, giving it a dynamic and modern look. A striking glossy black finish wraps around the variable-section handlebar, engine, swingarm and entire frame, contrasting with the matte black exhaust cover. The 17” spoked wheels are fitted with sporty road-style tyres. Lightweight and precise when it comes to handling, the SX 125 is powered by a modern four-valve single-cylinder Euro 5+ engine which delivers excellent torque and power across all rev ranges. Precision and safety in cornering are ensured by long-travel suspension and Bosch ABS with anti-rollover intervention, which acts on the front wheel during braking to regulate rear wheel lift. The braking system features two floating callipers: the front, with dual pistons, grips
