Description

THE BIKE SPECIALISTS, TRADING STANDARDS AWARD WINNERS. Bike ID:#10689 Here we have another first for The Bike Specialists, we present our stunning one owner, Kawasaki W1. Presented in outstanding, out of the box condition, this exceptional example has been meticulously maintained and cherished by the gentleman who has owned it since its arrival and registration in the UK in July 2017 . This concourse restored example has had no expense spared and is truly and opportunity not to be missed. "The 1970 Kawasaki W1 is a landmark 624cc parallel-twin classic that established Kawasaki's early footprint in the large-displacement four-stroke market. Heavily influenced by British BSA designs through Kawasakis acquisition of Meguro, it blended classic vintage stylingfeaturing chrome-panelled fuel tanks and an overhead-valve engine layoutwith improved Japanese mechanical reliability, including a robust roller-bearing crankshaft. Delivering roughly 50 horsepower through a 4-speed gearbox, this distinctively British-looking machine laid the engineering foundation for Kawasaki's four-stroke future." We are a family-owned company who pride ourselves on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual used Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have to pinch ourselves when we get certain bikes in as we would like to keep them all! We cater for very specialist tastes and can usually source rare and coveted bikes that we do not have in stock and have lots of contacts throughout the world.
