Description

The 2026 Triumph Scrambler 400 X is an agile, modern classic all-road scrambler, masterfully combining authentic British heritage styling with accessible single-cylinder punch, lightweight handling, and genuine light off-road capability. Finished in striking satin green and white, its sculpted fuel tank, ribbed two-piece seat, high-level twin-skin exhaust, and rugged 19-inch front wheel give it an unmistakable, head-turning road presence. Having covered just 1,726 miles from new, this ultra-low-mileage machine represents a fantastic opportunity to acquire Triumph's acclaimed A2-compliant scrambler. At its heart sits Triumph's lively 398cc liquid-cooled TR-series single-cylinder engine, engineered to deliver crisp throttle response, punchy low-to-midrange torque, and a characterful exhaust note. Handling dynamics are nimble, upright, and confidence-inspiring both on tarmac and loose trails, supported by long-travel upside-down front forks, a gas-charged monoshock rear suspension setup, and radial-mount front disc brakes backed by switchable ABS and traction control for assured stopping power. Equipped with rugged protective upgrades and practical touring extras, this Scrambler 400 X comes feature-packed. Off-road and protective additions include hand guards, a protective headlight guard, and a radiator guard. Rider convenience and cockpit highlights feature a sports fly screen, a rear luggage rack, and a clear analog/digital display dash. Supplied with a fresh oil and filter service, 37-point comprehensive health check, and fully valeted giving you complete confidence when buying
