The Aprilia Tuareg boasts winning DNA and an incredible thirst for adventure. Whether riding on asphalt or dirt roads, the Tuareg delivers exceptional fun and control, courtesy of premium technological features and one-of-a-kind technical choices developed keeping in mind your desire to explore . Technically brilliant, pared-back, dynamic and proudly Italian, the Aprilia Tuareg ignores the challenges of others, but instead pushes you to set new, more ambitious ones. Framed by the iconic triple headlight, the front exudes force and energy, while the taut, functional lateral design combines with bold colour schemes for an adventurous spirit that you can’t help but be touched by. The bike’s unabashed rally credentials and fearless character are the result of the input of multiple race winner Jacopo Cerutti who was directly involved in its development. The Aprilia Tuareg has rewritten the rules of asphalt and off-road riding, courtesy of an exceptional chassis that is faithful to Aprilia tradition, and a throbbing, ultra-high-performance heart. We are talking about the four-stroke, liquid-cooled, Euro 5+ parallel twin-cylinder engine, capable of producing 80 hp at 9250 rpm. In short, the Tuareg brings together the very best elements to offer you a new, sportier and more exciting form of adventouring.
