Description

The 2020 Triumph Bonneville Bobber 1200 is an iconic custom cruiser, masterfully combining stripped-back post-war heritage styling with high-torque parallel-twin performance, modern rider aids, and unmistakable British attitude. Finished in a deep gloss black, its sculpted fuel tank, floating single seat, clean hardtail-look rear end, and classic wire-spoked wheels give it an undeniable, head-turning road presence. Having covered just 3,084 miles from new backed by service history, this ultra-low-mileage machine represents a fantastic opportunity to acquire Triumph's benchmark factory bobber. At its heart sits Triumph's high-torque 1,200cc liquid-cooled parallel-twin engine, engineered to deliver effortless low-end grunt, responsive roll-on acceleration, and a rich, throaty British twin soundtrack. Handling dynamics are low-slung, planted, and engaging, supported by a hidden monoshock rear suspension setup, traditional front forks, and high-specification Brembo brakes backed by Lean Sensitive ABS for confident stopping power. Equipped with modern rider electronics, tasteful styling details, and full factory provenance, this Bonneville Bobber comes feature-packed. Cockpit and aesthetic highlights include bar-end mirrors, full LED lighting, paddock stand bobbins, and a clean digital display dash. Rider technology and peace of mind features include selectable Rider Modes, switchable Traction Control, Datatag security marking, and all original keys and books. Supplied with a fresh oil and filter service, 37-point comprehensive health check, and fully valeted giving you complete
