Description

The 2019 Kawasaki Ninja ZX-10R KRT Edition is an uncompromising litre-class superbike, masterfully combining WorldSBK-derived inline-four performance with razor-sharp track handling, top-tier chassis hardware, and championship racing pedigree. Finished in iconic factory Kawasaki Racing Team (KRT) Green livery, its wind-tunnel-honed fairings, aggressive twin headlights, and focused race stance give it an undeniable, track-ready presence. Having covered just 9,185 miles from new, this low-mileage machine represents a fantastic opportunity to acquire Kawasaki’s flagship superbike. At its heart sits Kawasaki’s ferocious 998cc liquid-cooled inline four-cylinder engine, engineered to deliver explosive top-end power, blistering acceleration, and a thrilling soundtrack enhanced by a premium fitted Akrapovic exhaust. Gear changes are lightning-fast via a factory quickshifter/blipper system, while chassis dynamics are razor-sharp, supported by Showa Balance Free Front (BFF) forks, an Ohlins steering damper, and high-specification Brembo brakes for immense stopping power. Equipped with track-focused upgrades, essential protection, and factory provenance, this ZX-10R KRT comes feature-packed. Styling and protective additions include a colour-matched seat cowl, a neat tail tidy, and R&G engine covers. Rider technology and instrumentation feature selectable Rider Modes, a digital dash with an integrated lap timer, and all original keys and books. Supplied with a fresh oil and filter service, 37-point comprehensive health check, and fully valeted giving you complete confidence
