Description

The 2023 Harley-Davidson Sport Glide is a supreme performance cruiser, masterfully combining Milwaukee-Eight V-twin muscle with quick-detach touring versatility, agile handling, and aggressive factory style. Finished in sleek factory Black, its quick-release front mini batwing fairing, sculpted fuel tank, blacked-out components, and low-slung cruiser profile give it an undeniable road presence. Having covered just 8,150 miles from new, this low-mileage Softail model represents an outstanding opportunity to acquire Harley-Davidson's ultimate crossover machine. At its heart sits Harley's impressive 1,745cc (107ci) Milwaukee-Eight V-twin engine, engineered to deliver massive roll-on torque, smooth counterbalanced power, and a deep American V-twin soundtrack elevated by premium Rinehart exhausts. Chassis dynamics are exceptionally responsive and comfortable, supported by upside-down front forks, an easily adjustable rear monoshock, lightweight mantis cast aluminum wheels, and strong disc brakes backed by standard ABS. Equipped with a great selection of high-value touring and protective upgrades, this Sport Glide comes feature-packed. Carrying capacity and flexibility are fully sorted with factory removable hard panniers. Rider comfort and styling features include mini footboards, protective hand guards, engine crash bars, clear indicators, bright LED headlights, Datatag security marking, and all original keys & books. Supplied with a fresh oil and filter service, 37-point comprehensive health check, and fully valeted giving you complete confidence when buying from CMC. 8150
