Description

The 2021 Triumph Bonneville Speedmaster 1200 is a quintessential British custom cruiser, masterfully combining laid-back classic styling with high-torque parallel-twin performance, relaxed riding ergonomics, and timeless road presence. Finished in a deep gloss black, its sculpted teardrop tank, swept-back beach bars, classic wire-spoked wheels, and twin chrome exhausts give it an unmistakable, head-turning look. Having covered just 8,257 miles from new backed by service history, this well-cared-for machine represents a fantastic opportunity to acquire Triumph's flagship cruiser. At its heart sits Triumph's high-torque 1,200cc liquid-cooled parallel-twin engine, engineered to deliver effortless low-end grunt, smooth roll-on acceleration, and a rich, throaty British twin soundtrack. Handling dynamics are planted, relaxed, and confidence-inspiring, supported by traditional front forks with protective rubber fork gaiters, a hidden monoshock rear suspension setup, and twin front disc brakes with Brembo calipers and ABS for assured stopping power. Equipped with practical touring additions, classic styling details, and full factory provenance, this Speedmaster 1200 comes feature-packed. Touring and passenger comfort features include single-button Cruise Control, a chrome pillion grab rail, fitted luggage rails, knee tank pads, and a front fender extender. Modern illumination and provenance highlights feature full LED lighting, wire-spoked wheels, and all original keys and books. Supplied with a fresh oil and filter service, 37-point comprehensive health check, and fully valeted giving you complete
