The bike has covered only 14,250 miles and comes with full Shad luggage, Nav mount, EvoTech radiator guards and crash bars, the book pack including service book showing six stamps the last of those at 12,675 miles. These bikes really are the ultimate total package bike as it can keep up with a superbike but be as comfortable as a tourer. It'll be great coming up to the colder months and benefits from some brilliant features and very advanced technology. We are a family-owned company that prides itself on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual used Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no-pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have to pinch ourselves when we get certain bikes in as we would like to keep them all! We cater for very specialist tastes and can usually source rare and coveted bikes that we do not have in stock and have lots of contacts throughout the world.
