Description

The 2021 Kawasaki Z900 RS is an iconic modern classic roadster, masterfully combining authentic 1970s Z1 heritage styling with smooth inline-four performance, modern chassis dynamics, and effortless everyday usability. Finished in classic candytone green with yellow stripes, its teardrop fuel tank, round LED headlight, twin analog-style bullet dials, and spoked-look cast wheels give it an undeniable, head-turning road presence. Having covered just 4,999 miles from new with only one owner, this ultra-low-mileage machine represents a fantastic opportunity to acquire Kawasaki's benchmark retro roadster. At its heart sits Kawasaki's refined 948cc liquid-cooled inline four-cylinder engine, tuned to deliver rich low-to-midrange torque, silky-smooth throttle response, and a purposefully crafted, deep exhaust note. Chassis dynamics are agile, planted, and confidence-inspiring, supported by upside-down front forks, a horizontal back-link rear shock, and radial-mount front brake calipers backed by ABS and Kawasaki Traction Control (KTRC) for assured stopping power. Equipped with practical touring additions, protective extras, and full factory provenance, this Z900 RS comes feature-packed. Protection and convenience items include a radiator guard, a front fender extender, a rear hugger extender, a neat tail tidy, and a centre main stand for easy maintenance. Rider and passenger amenities feature heated grips, a chrome pillion grab rail, full LED lighting, classic dual display instrumentation, and all original keys and books. Supplied with a fresh oil and filter service, 37-point comprehensive health check, and fully valeted
