Description

THE BIKE SPECIALISTS, TRADING STANDARD AWARD WINNERS. Bike ID: #10671 We are proud to offer for sale our stunning 1951 Vincent Comet 500. This iconic classic piece of British history was designed and built at the Vincent works in Great North Road, Stevenage, Hertfordshire, England. This UK example with original engine and frame is in concurs condition and represents a great opportunity to own an appreciating classic that would be the jewel in the crown of any serious collection. The bike has had only 3 owners from when first registered new in the UK in January 1951. The history of the bike is fully documented with the original owner having held the bike in his possession from January 1951 until his estate sold the bike back to Vincent Motorcycles in September 2015. Whilst back at Vincent a major restoration was undertaken at a cost of approx. £11,000 and over 365 man hours. (Fully documented and certified). The bike was then sold in late 2015 to its most recent owner. Included in the package are old registration documents including the 1951 original, old MOT's, invoices and the all important certificate of authenticity verifying the bikes age and details. Also included are an original riders handbook and original 1950's documents and information. The bike shows just 1 miles since the full restoration was carried out. This really is a great opportunity to own a British classic that you would struggle to find anywhere with such low ownership and provenance. We are a family-owned company that prides itself on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual used Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no-pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have to pinch ourselves
