Description

1991 KTM SX 250 What a bike this one is, virtually unmarked from new in almost original condition! This one owner bike has been used for a couple of hours on private land, never seen a motocross track and it shows in the condition, it's mint! The bike is in original un-restored condition on original everything except for sprockets, chain, bars & rear silencer, the reason for this is the original owner had put an enduro silencer and smaller sprocket on the bike and had unfortunately misplaced the original parts over the years Must be viewed as pics do not do the bike justice a very rare bike to find in this condition Please message us through eBay or contact us on the details below for any further information regarding any of our bikes Mobile number: 07488 999441 Landline number: 0191 3387324 Email: elliott_993@hotmail.com Here at MX BIKE TRADER we are a dedicated off road motorcycle dealer with over 27 years experience in the motor industry We work on an appointment basis only to ensure you get the service that you deserve when purchasing your new bike so if you would like to purchase/view one of our bikes please contact us to arrange a viewing
