Description

THE BIKE SPECIALISTS, TRADING STANDARD AWARD WINNERS. Bike ID: #10627 We are very proud to offer this beautiful example of the Honda RVF750 "RC45" The Honda RC45 is arguably one of the best made motorcycles of all time and is a typical example of the flagship motorcycles made when engineers were still in charge at Honda. This bike is undoubtedly a classic built to last a lifetime and will only increase in value. Our stunning full power example was originally supplied new by Abingdon Motorcycles, Oxford on the 11th March 1998 and has had just 3 owners from new including the most current who purchased the bike in November 2007. The bike has covered just 2,065 miles from new and is in excellent condition. It is fitted with a full Termignoni exhaust system, rear Ohlins suspension and original paddock stand. The package also includes the original exhaust, tool kit, rear shocker and a selection of old invoices and tax discs. The bike has sat in a private collection most of its life and comes with a unique RC45 personal registration number and prior to sale will benefit from a full commissioning service and a full MOT. We are a family-owned company that prides itself on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual used Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no-pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have to pinch ourselves when we get certain bikes in as we would like to keep them all! We cater for very specialist tastes and can usually source rare and coveted bikes that we do not have in stock and have lots of contacts throughout the world.
