Description

The 2017 Harley-Davidson XL1200C Sportster Custom is a classic American cruiser that combines timeless styling with muscular V-twin performance and unmistakable Harley-Davidson character. Powered by a 1202cc Evolution V-twin engine, it delivers strong low-down torque, responsive acceleration and the distinctive exhaust note that makes every ride memorable. Its accessible power delivery and engaging riding experience make it ideal for relaxed cruising, weekend rides and exploring the open road, while its compact proportions provide a more manageable feel than larger touring models. With its custom-inspired styling, sculpted fuel tank, generous chrome detailing and distinctive front wheel, the Sportster Custom has a bold and individual appearance. The low seat height, relaxed riding position and wide handlebars create a comfortable and commanding feel on the road, while the classic twin-cylinder design celebrates Harley-Davidson's rich heritage. Combining traditional cruiser looks with dependable engineering and straightforward controls, it offers an enjoyable blend of everyday usability and authentic American motorcycling appeal. Blending characterful Evolution V-twin performance, timeless cruiser styling and the unmistakable presence of the Harley-Davidson name, the 2017 XL1200C Sportster Custom is an excellent choice for riders seeking a motorcycle with plenty of personality and classic appeal. Whether cruising through town or enjoying a relaxed ride through the countryside, it delivers an authentic riding experience and is ready to impress its next owner. At CMC we pride ourselves on customer satisfaction and all of our bikes undergo a 37 point pre delivery inspection which includes a fresh oil and filter service unless recently changed, if the bike has less than six months MOT we will put a new one on,
