## Description

The 2019 BMW R nineT Scrambler X is a charismatic modern classic roadster, masterfully combining iconic air/oil-cooled boxer twin performance with rugged scrambler aesthetics, shaft-drive dependability, and refined German engineering. Finished in factory metallic grey with a contrasting tan ribbed bench seat, high-level twin exhausts, and cross-spoke wheels, its stripped-back silhouette and purposeful stance give it an undeniable road presence. Having covered 12,354 miles from new backed by service history, this well-specified Scrambler X model represents a fantastic opportunity to acquire BMW's benchmark heritage scrambler. At its heart sits BMW's characterful 1,170cc air/oil-cooled flat-twin boxer engine, engineered to deliver punchy low-to-midrange torque, effortless roll-on power, and a deep, unmistakable boxer soundtrack. Power is transferred cleanly via low-maintenance shaft drive, while handling dynamics are poised and confidence-inspiring, supported by traditional telescopic forks with rubber gaiters, a paralever rear suspension setup, a steering damper, and Brembo brakes backed by ABS. Equipped with a great selection of protective additions, rider comforts, and scrambler styling touches, this R nineT Scrambler comes feature-packed. Protective items include engine crash bars and a front headlight guard, while everyday practicality is enhanced with a fitted rear luggage rack. Rider amenities feature factory heated grips, a tan ribbed seat, digital display instrumentation, and Datatag security marking. Supplied with a fresh oil and filter service, 37-point comprehensive health check, and
