Description

THE BIKE SPECIALISTS, TRADING STANDARDS AWARD WINNERS. Bike ID:#10710 Although we are known for our love of classic British bikes, we are delighted to add another first to our collection, this Norton "Norbstar". We have had Tritons before (Triumph engine in a Norton frame) but never a Norbstar which is a classic British "special" motorcycle combining the legendary Norton Featherbed frame with a BSA Gold Star high-performing single-cylinder racing engine. Our bike is a 1960 example which has had just one owner from new! It has covered 831 miles and is fitted with a 5-speed gearbox (which cost £2,000) a balanced crank, billeted conrods, electronic ignition and belt drive transmission. The package includes the original log book, a host of various invoices from across the years and lots of old MOT's. The bike is a great runner and will receive a service and fresh MOT (although not legally required) prior to sale. We are a family-owned company who pride ourselves on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual used Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have to pinch ourselves when we get certain bikes in as we would like to keep them all! We cater for very specialist tastes and can usually source rare and coveted bikes that we do not have in stock and have lots of contacts throughout the world.
