Description

FREE UK, NATIONAL DELIVER, TERMS & CONDITION APPLY The LXR SE, Takes the Standard LXR and Makes it a World Class Design, A proven class leader that`s dominated the sales charts, the LXR SE gets a full refresh for 2025. Updated to meet Euro 5.5 standards, at its heart sits an all-new 125cc single cylinder engine, offering better performance throughout the entire rev range, a better pick up on the throttle and a smoother ride. Performance isn`t the only headline figure though; a well-rounded chassis gives a sporting, yet comfortable experience. This is further complemented by a newly designed rear shock linkage, 37mm upside down forks and lightweight aluminium swingarm to give the LXR SE class leading handling. Upfront, the full colour TFT display unit adds a touch not seen before in the super sport 125 sector, and the aggressive LED headlight unit brings a distinctive look to the SE. Stopping comes courtesy of a twin petal disc brakes up front, with two pot callipers boasting yet another first in class. Our flagship model has just upped the ante considerably in the 125cc market, why not see what all the fuss is about? The new LXR SE is here with us IN STOCK, Don't Hang around, Euro 5 bikes are in high demand and these won't hang around for long !
