Description

THE BIKE SPECIALISTS, TRADING STANDARD AWARD WINNERS. Bike ID: #10666 We are proud to offer for sale yet another British classic, the Velocette Venom Clubman. Our 500cc example is the sporting/racing version of Velocettes 499 cc OHV single-cylinder touring motorcycle produced from 1955 through to the late sixties. Our bike was registered in April 1960 and has had 4 owners from new with the most recent having owned the bike since 1991. It is in stunning condition having been maintained and restored over the years. Supplied with the original log book as well as numerous invoices, old MOT's and V5's showing the bikes history. This bike would grace any British bike collection and would turn heads at local bike gatherings. Velocette (Veloce Ltd., Hall Green, Birmingham) introduced the Venom in late 1955 as a higher-performance development of the MSS touring single. It had a claimed top speed nearing 100 mph and roughly 5,721 Venoms were built from 1955 to 1970 with the Clubman version from 1959 to 1960) From 1960 Velocette offered a dedicated Clubman racing-oriented variant of the Venom. We are a family-owned company that prides itself on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual used Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no-pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have to pinch ourselves when we get certain bikes in as we would like to keep them all! We cater for very specialist tastes and can usually source rare and coveted bikes that we do not have in stock and have lots of contacts throughout the world.
