Description

The Bailey Unicorn Deluxe Vigo 2026 is a luxurious four-berth tourer crafted for couples who love their space or families seeking long-term touring comfort. Its standout layout features a fixed transverse island bed at the rear, offering a hotel-like sleeping experience with twin wardrobes and under-bed storage. The central walk-through washroom includes a full shower cubicle, ensuring you never have to compromise on comfort – even off-grid. Up front, the lounge transforms into twin singles or a double bed, while the centrally located kitchen is equipped for real cooking, featuring a dual-fuel hob, tower fridge-freezer, and flatbed microwave. Alde programmable heating and dimmable ambient lighting make it warm and welcoming in every season, while the SONOS speaker and TV-ready setup cover your entertainment needs. Outside, the Alu-Tech shell with stylish bronze-and-chrome detailing and alloy wheels combines durability with head-turning design. With features like a solar panel, external BBQ and mains outlets, and AL-KO trailer control, it’s built for comfort and control on the road. Whether you’re exploring the coast or cosying up at a countryside pitch, the Vigo is a dependable base for your next adventure.
