Description

The Bailey Unicorn Deluxe Cabrera 2026 brings high-end comfort to the open road, making it a perfect match for couples who enjoy extended getaways or small families looking to tour in style. Inside, the standout rear longitudinal island bed provides hotel-style comfort, complete with twin wardrobes and under-bed storage for hassle-free organisation. The central walk-through washroom, with a separate shower cubicle, adds privacy and convenience, especially on longer trips. The front lounge offers a social space that easily converts into twin singles or a double bed, while the kitchen is fully equipped with a dual-fuel hob, large fridge-freezer, flatbed microwave, and clever pull-out storage. The Alde programmable radiator heating ensures warmth throughout the year, while dimmable lighting lets you set the tone, from bright and breezy to calm and cosy. Outside, the GRP Alu-Tech bodyshell offers strength and aerodynamic efficiency, wrapped in a stylish chrome and bronze livery. With features like a solar panel, wireless charging, and AL-KO trailer control, the Cabrera doesn't just look the part – it performs. For those who want comfort without compromise, the Cabrera is ready to go wherever your next adventure takes you.
