Description

THE BIKE SPECIALISTS, TRADING STANDARD AWARD WINNERS. Bike ID: #10595 We are proud to offer the opportunity to purchase our latest stunning Ducati Desmosedici. Our latest addition to the showroom is this immaculate "Team" Version which has covered just 1906 miles from new! Having been on display in the owners collection and ridden occasionally since 2021, our 2008 example is in "out of the box" condition and represents an excellent investment opportunity. One of only 1500, this is number 512 and is supplied with the original paddock stand, spare key, key card, standard exhaust system, original sticker kit, Desmosedici cover and the original handbooks. The bike has a good service history with the last service carried out at Alton Ducati at 1,647 miles. "Theres no other way to describe the Ducati Desmosedici RR than as a MotoGP bike with lights; it really is that close to the real thing. The 200bhp motorcycle is a replica of Ducatis Desmosedici GP6 MotoGP machine, which Loris Capirossi and Sete Gibernau rode in 2006 and features the same chassis layout, bodywork and long bang 989cc V4 engine architecture. There has never been a road motorcycle like the Ducati Desmosedici RR, its so stiff, fast and focussed that it makes R1s seem soft and cuddly by comparison." - MCN This ultimate investment bike would be a fantastic addition to any serious collection and also a great bike to take out on sunny days. It can be secured with a small deposit. We are a family-owned company who pride ourselves on the quality of our Motorcycles and all of them are carefully chosen, handpicked enthusiast pre-owned examples that are always HPI Clear for your peace of mind. We offer all the usual Motorcycle Dealer facilities such as Low-rate finance and extended warranties and operate a no pressure environment where you can relax and enjoy good old-fashioned service with a smile. We have just upgraded our Indoor Showroom where you can see Motorcycles you sometimes can only dream of seeing and sometimes, we have to pinch ourselves
