Description

CMC Motorcycles is pleased to offer the 2020 Kawasaki Z400 — a lightweight supernaked motorcycle that combines aggressive styling, responsive performance and everyday practicality. As part of Kawasaki's Z family, the Z400 delivers an engaging and confidence-inspiring ride, making it an ideal choice for both newer riders and those seeking a nimble, fun street bike. At the heart of the Z400 is a 399cc liquid-cooled parallel-twin engine, producing around 45 horsepower with strong mid-range torque. The engine is derived from the Ninja 400 platform and is known for its smooth, predictable power delivery and lively character, offering excellent usability in city riding while still delivering enjoyable performance on open roads. Ergonomically, the Z400 features an upright riding position with a low seat height of around 785mm, making it accessible and confidence-inspiring for a wide range of riders. The slim profile and natural reach to the handlebars enhance control, particularly at lower speeds and in urban environments. Styling follows Kawasaki's distinctive Sugomi design language, with sharp, aggressive bodywork, a sculpted fuel tank and a compact, muscular stance. Its minimalist streetfighter look ensures strong road presence while maintaining a modern and sporty aesthetic. Rider-focused features include ABS for added braking confidence. A clear digital display provides essential ride information in a simple and easy-to-read format. At CMC we pride ourselves on customer satisfaction and all of our bikes undergo a 37 point pre delivery inspection which includes a fresh oil and filter service unless recently changed, if the bike has less than six months MOT we will put a new one on, giving you complete confidence when buying from CMC. 5686 miles, All books and keys, Delkevic exhaust, Fly screen, Tail tidy, ABS, Digital
