### Description

If you're familiar with Coachman, you'll already know they have a reputation for solid build quality and thoughtful layouts, and the 2020 VIP 575 is a great example of why they're so well regarded. Designed as a comfortable 4-berth caravan, this model is particularly popular with couples who want extra space, or families who enjoy touring in comfort. The fixed double bed layout means there's no nightly setup, while the end washroom gives you a proper, roomy bathroom with separate shower, cassette toilet and plenty of changing space, ideal for longer stays or touring through the seasons. The kitchen is well equipped and practical, featuring a fridge with freezer compartment, oven, microwave and mains electric, making self-catering straightforward whether you're away for a weekend or a full holiday. Up front, the lounge is bright and welcoming thanks to the large rooflights, sun roof and Heki rooflight, creating a great space for relaxing during the day and easily converting into additional sleeping accommodation when required. Comfort and convenience are well covered, with features such as flyscreens throughout, loose-fit carpets, heating system, TV aerial and stereo system adding to that premium touring feel. Outside, you'll find useful extras including an external gas BBQ point, external shower point and 240v socket, perfect for summer evenings and extended stays on site. With an MTPLM of 1700kg, the VIP 575 is best suited to experienced towers with an appropriate tow car, something our team will happily talk through with you to make sure everything is matched correctly. Part exchange is welcome, and as always at Raymond James Caravans, you'll get honest advice and ongoing support long after you drive away.
