Description

Honda NPS50 Zoomer – Rare Low Mileage Example A fantastic Honda NPS50 Zoomer finished in red, first registered in May 2006 and showing just 7,292 miles from new. Having had 5 owners, this increasingly sought-after scooter is presented in beautiful original condition and is becoming harder to find, especially in such well-preserved condition. The bike comes complete with 2 keys, the owner's manual, service book, a selection of previous MOT certificates and service receipts. The service book contains the original service stamp at 622 miles, with additional receipts showing servicing carried out at 5,917 and 6,204 miles. For complete peace of mind, the bike will also be fully serviced and supplied with a new MOT before leaving our showroom. This Zoomer has recently been fitted with brand new front and rear tyres and remains in exceptional condition throughout. It retains its original indicators, with no marks, scrapes or corrosion, making it an excellent example for both enthusiasts and collectors. The Honda Zoomer has become one of Honda's most iconic small-capacity machines. With its distinctive styling, legendary Honda reliability and strong following among enthusiasts, good original examples are becoming increasingly difficult to find. The bike is HPI clear and comes complete with our standard 3-month engine and gearbox parts warranty. Why buy from us? • HPI checked and clear • Thorough pre-delivery inspection • Fresh service before collection or delivery • New MOT included • 3-month engine and gearbox parts warranty • Detailed video walkaround available via WhatsApp • Finance available
