Description

2021 Honda Z125 Monkey – 1,710 Miles This stunning Honda Z125 Monkey was first registered in October 2021 and has covered just 1,710 miles from new. It has had two owners and comes complete with two keys, the owner's manual and service book. Although there are no dealer service stamps in the book, the previous owner maintained the bike themselves. For complete peace of mind, this Monkey will be fully serviced by us before leaving our showroom and comes with our standard three months engine and gearbox parts warranty. The bike will also be supplied with a full 12 months MOT. Finished in a beautiful blue, this Monkey is in immaculate condition throughout and has been tastefully upgraded with a full Yoshimura exhaust system, ProTaper handlebars, adjustable levers and a tail tidy, giving it an even more distinctive look while retaining the Monkey's unmistakable character. All our bikes are HPI clear and undergo a thorough pre-delivery inspection before leaving our showroom. Want to see more? You don't need to be local to Stafford to view our bikes. We can send you a detailed walkaround video with full commentary so you can see every aspect of the bike before making your decision. Simply send Cat a WhatsApp message on 07377 232650. Credit/debit cards and bank transfer payments are welcome. Finance is available on motorcycles up to 12 years old.
