Model Year	1975		

Description

Fastline Superbikes are pleased to offer this stunning Yamaha TZ750B, a late 1975 model with 66.40mm bores. Only 65 ever made of this model. In-line 4 cylinder 746cc, water-cooled, reed valve induction with 4 Mikuni VM34 carburettors, 6 speed gearbox with dry clutch, 2 crankshafts pressed together driven from the inner ends high tensile steel, double cradle twin loop chassis, 18 inch front and rear wheels with light alloy rims, disc brakes all round, 157kg in weight. These bikes were definitely a handful. Very few could ride to their potential - capable of top speeds of over 175mph. The TZ750 achieved over 200 race wins with the explosive power band and lightweight frame making it difficult to handle and requiring significant skills to master. This model is unused, 50 years old and a beautiful bike to parade or show. Please let us know what you are interested in to ensure it will be here in the showroom. Finance and worldwide delivery can be arranged. For more details please contact us.
