Description

2015, VERY HIGH COST OPTIONS, RAREST COLOURS, EXCELLENT HISTORY, IN A SUPERB ORDER THROUGHOUT. We are delighted to bring to market this Bentley Mulsanne, 6.75 V8. In the finest colours of Silverlake metallic coach work with Linen interior with Imperial Blue contrast to the dash-steering wheel & complimenting Veneered wood which looks so classical & timeless. The coach work & interior both present in stunning order. Supplied for peace of mind with all wheels professionally refurbished & new tyres, specialist serviced & new mot. An impressive services recorded too. The Bentley Mulsanne was the Crewe-based firm's flagship model between 2010 and 2020. It was designed to appeal to those looking for the ultimate in refined transport, regardless of how much it cost, and that was reflected in a £250,000+ price when new. There was just one engine and one gearbox offered – the classic 6750cc Rolls-Royce-designed L-Series engine with updates and an eight-speed automatic – which were perfectly suited to the task in hand. The Mulsanne's characteristic is a deep muffled V8 burble very different from the W12. Power is sent to the rear wheels through an 8-speed ZF automatic gearbox that comes complete with wheel-mounted paddle shifters. Be quick with them and you'll flash by the sixty mph mark in just 5.4 seconds. The Mulsanne is a car with a sense of occasion, a beautiful thing to ride in that's even better to drive. Rolls Royce needs both its Phantom and its Ghost to accomplish what Bentley does here with one simple breathtaking piece of engineering. Front & rear sensors, Flying B
