In the mid-1990s, the German brand faced a sharp decline in sales, with uncertainty looming over its future. The Boxster arrived as a beacon of hope, combining affordability, performance, and timeless design to capture a new generation of enthusiasts. To honor this milestone, Porsche released the 718 Boxster 25 Years Edition, a limited-production masterpiece with just 1,250 units worldwide. This special edition pays homage to the original Boxster concept, with elements like the accentuated hallmark Neodyme gold touches exclusive to the 25 Years Edition which nods back to the original boxster. Under the hood, the 718 Boxster houses a 4.0-liter flat-six engine, delivering 394 bhp through a quick-shifting PDK transmission which will take you from 0-62 in just 4 seconds. Inside, the cabin features Black Leather Interior with brushed aluminium accents. The heated GT-style multifunction steering wheel, Porsche crests embossed on the headrests, and the Boxster 25 logo on the dash and door sills which further emphasise its exclusivity.
