Description

Discover the thrill of riding with the QJMotor SRK 800, an exceptional naked sports bike designed for enthusiasts who crave both performance and style. This captivating motorcycle effortlessly combines classic design with modern engineering, offering an exhilarating experience on every ride. With its robust 778cc engine, the SRK 800 stands out as a top contender in the middleweight motorcycle world thanks to its 4-cylinder, 16-valve DOHC configuration that delivers an impressive rated output of 95 BHP at 10,000rpm. This powerhouse rides smooth thanks to Ride By Wire fuel injection with a compression ratio that optimizes performance while the QJMotor SRK 800's maximum torque of 74Nm at 9500rpm ensures thrilling acceleration. Glide through corners with confidence, thanks to the Marzocchi adjustable USD front forks and a Marzocchi adjustable mono-shock at the rear, offering superior suspension and stability. Stop on a dime with the high-performance Brembo disc brakes dual fully floating 320mm at the front with 4 piston radially mounted calipers and a single 260mm at the rear equipped with ABS. The lightweight multispoke 17-inch alloy wheels, coupled with 120/70 ZR17 front and 180/55 ZR17 rear Pirelli tyres, provide a perfect blend of agility and grip. Certified to meet ever stringent Euro 5+ emissions standards, the SRK 800 is as environmentally conscious as it is thrilling to ride. With its electric starting system, electric ignition, and Euro 5+ certification you'll find it easy to embark on any adventure. Plus the 17.5L fuel tank ensures you'll travel far and wide with minimal stops. Every journey is comfortable and enjoyable, with a seat height of Only 815mm, making it accessible to a wide range of riders of all sizes. Embrace the open road as you revel in the perfect balance of design and power. With dimensions of
