Description

CMC Motorcycles is pleased to offer the Harley-Davidson FLSB Sport Glide 1745 — a versatile cruiser that blends classic Softail styling with practical touring capability, creating a motorcycle that can effortlessly switch between relaxed cruising and longer-distance riding. At the heart of the Sport Glide is a 1,745cc Milwaukee-Eight air-cooled V-twin engine, delivering around 146Nm of torque. This engine provides strong low-end pull and smooth, effortless acceleration, making it ideal for both laid-back riding and confident overtaking. Its torque-rich nature means the bike feels powerful without needing to be pushed hard through the rev range. One of the defining features of the Sport Glide is its adaptability. It comes equipped with a quick-detach front mini-fairing and hard saddlebags, allowing the bike to transform from a light tourer into a stripped-back cruiser within minutes. This dual-purpose design makes it particularly appealing for riders who want one bike to cover multiple roles. Ergonomically, the Sport Glide features a low seat height of around 673mm, forward-mounted foot controls and wide handlebars, creating a relaxed and comfortable riding position. This setup makes it accessible to a wide range of riders while also being well suited to longer journeys. At CMC we pride ourselves on customer satisfaction and all of our bikes undergo a 37 point pre delivery inspection which includes a fresh oil and filter service unless recently changed, if the bike has less than six months MOT we will put a new one on, giving you complete confidence when buying from CMC. 12962 miles, 1x Fob & Key, All books, Passenger backrest, Panniers, Headlight fairing, Cruise control, Forward controls, LED headlight, Low seat height FREE DELIVERY up to 160 miles from store.
