Finance and Nationwide Delivery available. P/X Welcome

£19,999.00

Engine Size (in ccm)	1,833	Mileage	5,983 Miles
Model Year	2023		

Description

CMC Motorcycles is excited to offer the 2023 Honda GL1800B DCT — a premium “bagger”-style touring motorcycle that delivers the legendary Gold Wing experience in a more stripped-back, sportier form. Combining luxury comfort, advanced technology and one of the smoothest engines ever fitted to a motorcycle, the GL1800B is built for effortless long-distance riding with a more dynamic edge. At the heart of the bike is an 1,833cc liquid-cooled flat-six (boxer) engine, producing around 126 horsepower and 170Nm of torque. This engine is renowned for its exceptional smoothness and strong, linear power delivery, offering effortless acceleration and refined cruising at any speed. The character is unique, delivering turbine-like performance that sets it apart from traditional touring motorcycles. One of the standout features is Honda’s Dual Clutch Transmission (DCT), a 7-speed automatic gearbox that provides seamless gear changes without the need for a clutch lever. It can operate fully automatically or allow manual input via handlebar controls, giving riders flexibility between relaxed cruising and more engaged riding. The chassis is built around a lightweight aluminium twin-tube frame paired with a distinctive double wishbone front suspension system. This design reduces front-end dive under braking and improves stability, particularly at low speeds and when manoeuvring a bike of this size. The result is a surprisingly agile and confidence-inspiring ride despite its substantial presence. Suspension is electronically assisted, with a Pro-Link rear system that adapts to load and riding conditions. Combined with the low centre of gravity, this ensures excellent comfort and composure whether riding solo or fully loaded. Braking performance is strong and highly controlled, with dual front discs and advanced ABS systems working

alongside traction control and riding modes. These systems enhance safety and stability, particularly in varying road conditions. Ergonomically, the GL1800B offers a low seat height of around 745mm and a relaxed riding position, making it more accessible than its size suggests. Wide handlebars and a supportive seat ensure comfort over long distances, while the slightly stripped-back "bagger" design gives it a more open and connected feel compared to the full touring version. Styling is sleek and modern, with a more minimalist approach than the full Gold Wing Tour model. The integrated panniers, low-profile screen and flowing bodywork create a cleaner, sportier silhouette while still retaining the premium presence expected from a flagship touring machine. Technology is extensive, including riding modes, traction control, hill start assist, cruise control, electric windscreen and a full-colour TFT display with connectivity. These features ensure maximum comfort, convenience and adaptability for long-distance riding. At CMC we pride ourselves on customer satisfaction and all of our bikes undergo a 37 poi... 5983 miles, All books and keys, Panniers, Rider backrest, Spot lights, DCT model, Heated grips, Cruise control, Rider modes, Traction control, ABS, Sat Nav, Infotainment system, Audio system, Electronic windscreen, LED lighting, Center stand FREE DELIVERY up to 160 miles from store. About Us

Welcome to CMC, CMC was established in 1975 when Maurice Feltham took his passion for riding and rebuilding motorcycles one step further by purchasing Staveley Motorcycles a small dealership at that time dealing with a mix of British and Japanese used bikes and parts. CMC is now operating 5 stores and became the largest retailer of new Yamaha's in the UK. We are also Isle of Man TT winners in 1999 and 2000 with David Jefferies and became Motorcycle News Dealer of the Year for stores with more than one outlet. With over 800 new and used bikes to choose from we have something for everyone. Buy with confidence with over 40 yrs in motorcycle trading To view one of our bikes simple call us, or visit our website to enquire online.
