Description

Take on every journey with the fantastic 2025 Yamaha Ténéré 700 Explore. Combining Yamaha's legendary reliability, impressive off-road capability and long-distance touring comfort, the Ténéré 700 Explore is the perfect adventure motorcycle for riders looking to go further, whether tackling challenging trails or enjoying the open road. Powered by Yamaha's renowned 689cc CP2 parallel-twin engine, producing 73.4bhp and 68Nm of torque, the Ténéré delivers an excellent balance of performance, smooth power delivery and everyday usability. The Explore specification offers a number of enhancements over the standard Ténéré 700, including revised 43mm KYB front forks and a remotely adjustable rear shock absorber, providing 190mm and 180mm of suspension travel respectively. Its reduced 860mm seat height makes the bike more accessible, while the larger touring screen provides increased wind protection for those longer adventures. This particular example benefits from the addition of a Yamaha Quick Shifter, allowing seamless clutchless upshifts for an even more engaging riding experience, alongside Genuine Yamaha Panniers, providing practical and secure storage for touring, commuting and longer trips away. Further features include a 5-inch full-colour TFT display with smartphone connectivity, six-speed gearbox, switchable ABS, 16-litre fuel tank and lightweight spoked wheels with a 21-inch front and 18-inch rear configuration. Its distinctive rally-inspired styling perfectly complements its impressive adventure credentials. With its outstanding versatility, comfortable riding position
