Description

2015 Bentley Continental GT Speed W12 Coupe. Vin Number: SCBFF63W4GC051265 Registration Number : DG15OGA A mint triple black Continental GT with 37,000 miles covered from new. This car has been maintained without regard to cost & comes to us with no less then 11 Bentley service stamps in the book. If has just been serviced so is absolutely ready to go. In addition to the recent service it has just had its wheels refurbished to put the car in tip top order. The last South African owner has kept the car stored & serviced by Bentley High Wycombe & uses it just once or twice a year usually for jaunts round Europe. During these trips the car has performed flawlessly. The speed branded seats are particularly nice with black quilted leather stitched in cream along with cream secondary hides. Always garaged the car is simply pristine under the bonnet & benefits from having the adaptive cruise control fitted. Little more need be sold other than that there are cheaper ones out there but not in this condition with such a full & perfect service history. It is in the showroom in Northampton & ready for immediate viewings. Call Richard Biddulph.
