Description

HONDA CB125F – 1 OWNER – ONLY 464 MILES – HONDA WARRANTY A superb, one-owner Honda CB125F, first registered in November 2025 and having covered just 464 miles from new. Presented in immaculate condition and barely run in. The bike has had its first service carried out by a Honda dealer at 400 miles, maintaining the Honda six-year warranty. Service information is held electronically by Honda rather than in a traditional service book. Supplied with two keys. The bike no longer comes with a separate service book or owner's manual, with the relevant information held electronically by Honda. With such exceptionally low mileage, the bike is in beautiful condition throughout. The tyres are in excellent, near-new condition, as you would expect from a machine that has covered fewer than 500 miles. A fantastic opportunity to own an extremely low-mileage, one-owner CB125F that has already had its important first Honda service. KEY DETAILS • First registered November 2025 • One owner from new • Only 464 miles • Honda dealer first service at 400 miles • Honda six-year warranty maintained • Two keys • Electronic Honda service record • Immaculate condition • First MOT due November 2028 WHY BUY FROM STAFFORD MOTORCYCLES?
