Description

The 2016 Indian Scout is a beautifully crafted cruiser that combines iconic American motorcycle heritage with impressive performance and modern engineering. Powered by Indian Motorcycle's 1,133cc liquid-cooled V-twin engine, it delivers strong torque, smooth acceleration and an unmistakable exhaust note that makes every ride an occasion. Its lightweight aluminium frame and low centre of gravity provide surprisingly agile handling, while its relaxed riding position and accessible seat height make it an enjoyable motorcycle for both cruising and everyday journeys. Featuring timeless styling, a beautifully sculpted fuel tank, classic Indian badging and distinctive cruiser proportions, the Scout has an unmistakable road presence. Its low-slung profile, wide handlebars and forward-mounted foot controls create a comfortable riding position, while quality suspension and powerful braking provide reassuring control. Combining traditional American cruiser styling with modern liquid-cooled performance, the Scout offers a refreshing balance of classic character and contemporary usability. With its impressive V-twin performance, distinctive styling and rich Indian Motorcycle heritage, the 2016 Scout is a fantastic choice for riders looking for a cruiser with genuine personality. Whether enjoying relaxed rides through the countryside or making an impression wherever it goes, this Indian delivers an engaging and characterful riding experience and is ready to impress its next owner.
