Description

A fantastic opportunity to own the stylish 2022 Aprilia SR GT 125 Sport, combining sporty Italian design, impressive practicality and versatile performance. Inspired by adventure motorcycles, the SR GT brings a distinctive crossover appearance to the scooter market, offering an excellent balance of urban agility and everyday comfort. Powered by Aprilias proven 125cc liquid-cooled, single-cylinder i-get engine, producing 15bhp and 12Nm of torque, the SR GT delivers smooth, responsive performance with excellent efficiency. Paired with an automatic CVT transmission, it provides effortless acceleration and straightforward operation, making it an ideal choice for both new riders and experienced commuters. The Sport model benefits from distinctive styling enhancements, including sporty graphics, black-finished detailing, dedicated Sport seat upholstery and striking alloy wheels, giving it a more aggressive appearance. The standard specification is particularly impressive, featuring full LED lighting, a digital LCD instrument display, Start & Stop technology and electronic fuel injection. Safety and control are provided by ABS braking, while the advanced suspension setup consists of 33mm telescopic front forks and twin rear shock absorbers with adjustable preload. Its adventure-inspired design is complemented by a raised riding position, wide handlebars, generous ground clearance and larger-diameter front wheel, providing excellent visibility and confidence across a variety of road surfaces. Practicality is further enhanced by useful under-seat storage, a passenger seat and grab handles, alongside a convenient electric starter. With its lightweight construction, comfortable ergonomics and economical running costs, the SR GT 125 Sport is perfectly suited to everyday commuting, city riding and weekend
