Description

An outstanding opportunity to own Kawasakis championship-winning superbike, the 2018 Ninja ZX-10R. Developed with technology derived directly from Kawasakis World Superbike racing programme, the ZX-10R delivers an exhilarating combination of breathtaking performance, precision handling and advanced electronics. This example benefits from a number of desirable enhancements, including an Akrapovi exhaust system, delivering a more distinctive exhaust note and adding to the bikes already aggressive sporting character. A tail tidy gives the rear end a much cleaner, sharper appearance, while the addition of a colour-matched seat cowl completes the purposeful single-seat superbike styling. The standard specification is equally impressive, featuring Showa Balance Free Front Forks and a BFRC Lite rear shock, Brembo M50 monobloc front brake callipers and Kawasakis advanced electronic rider assistance systems. Technology includes Kawasaki Traction Control (S-KTRC), selectable power modes, Kawasaki Intelligent Anti-lock Brake System (KIBS), Kawasaki Launch Control Mode (KLCM), Kawasaki Engine Brake Control and an Öhlins electronic steering damper. The bike also benefits from an electronic quickshifter for rapid clutchless upshifts, alongside a comprehensive LCD instrument display and gear position indicator. With its aggressive aerodynamic bodywork, race-derived aluminium twin-spar chassis and unmistakable Ninja styling, the ZX-10R remains one of the most exciting litre-class superbikes available. A fantastic combination of race-bred engineering, premium
