### Description

1965 Rolls Royce Silver Cloud III Chinese eye coupe. This very rare Rolls Royce Coupe Project is in a very good state of preservation. Mainly due to the fact the last two owners haven't used it but have always had it in heated storage since 2001 over 25 year. So it has been saved from a quarter century of wear and the elements. The first registered Owner owned it for the majority of the time from 1965 until 2001 as far as I am aware. Registration number:FNN 664C VIN Number :CSS 79B Has only covered 75,166 miles from new and is one of only around 70 Rolls Royce silver cloud III two Door coupes produced. And I believe this is most likely one of the last Cars available at this price point. New Front and rear windscreen supplied with car and viewing very welcome and direct phone calls preferred on 07584903010
