### Description

The brand new QJMOTOR SRK 800 RR, from the WSBK Championship to the roadMeet the dynamic, exhilarating QJMOTOR SRK 800 RR! A superb example of cutting edge engineering that is proving itself across Europe whilst competing in the World SuperSport Championship. This year it has accumulated a lot of wins for the SSP Challenge. Its sleek design has been proven whilst the robust performance has shown that it can compete head-to-head against the established sports market while offering incredible value. Underneath the brand new SRK 800 RR's stylish exterior is a potent, 778cc engine, boasting a 4 Cylinder 16v DOHC configuration. Roaring to the redline with a rated output of 94hp at 10,000rpm and has an output torque of 75Nm at 8500rpm. This gives you incredible speed and complete control of the road. The SRK 800 RR is testament to its superior engineering, featuring a compression ratio of 67.0\*55.2mm bore x stroke giving perfect balance when in motion. The brand new SRK 800 RR gives incredible feel from high-quality, Marzocchi adjustable front suspension and a Marzocchi adjustable shock absorber at the rear. The Brembo braking system provide superb stopping power with duel, 320mm discs at the front and a single 260mm disc at the rear. These features, combined with lightweight alloy wheels give an exciting and confident feel. The wheels are measured at 120/70 ZR17 for the front and 180/55 ZR17 for the rear. They're fitted with Pirelli Angel GT tyres. The SRK 800 RR has a Euro 5+ emissions certification and has modern features that cater for all types of rider. If you ride
