Description

This is the Factory lowered version Ténéré 700 comes with a more accessible lower seat height version, available straight from the factory. With 20mm less suspension travel front and rear, as well as a shortened kick stand, this version has a 860mm seat height and retains a commanding seating position, while opening up the Ténéré experience for those who prefer a lower seat height. When you're riding the Ténéré 700, you are riding a legend. It's built tough. From the new adjustable suspension to the carefully considered riding position and electronic aids you can switch off when required, it's a motorcycle capable of taking on any terrain you throw at it. Lighter than the competition and with an engine tuned for torque, this go-everywhere, do-anything motorcycle embodies the very spirit of life on two-wheels and the sense of adventure within us all. Chase the Next Horizon The Ténéré 700 is powered by Yamaha's award-winning 690cc CP2 engine, tuned and geared specifically for this model. Now equipped with the YCC-T electronic throttle, the 2025 Ténéré 700 introduces a suite of features to adapt the riding experience for all conditions including two ride modes, Sport and Explorer, giving you the possibility to choose the best power and torque characteristics to meet your riding needs. ABS and TCS can also be turned off to give you total control, which is particularly useful on unpaved surfaces. No other adventure bike delivers such a holistic balance of power and control; a rally-bred machine designed to take on whatever is thrown at it. Ténéré 700's latest tough steel chassis is robust, enhanced and designed to offer a controlled and engaging ride in a wide variety of environments. Adjustable tall suspension and large spoked wheels contribute to high ground clearance and a commanding riding position, which
