Description

Blue, This 2023 Renault Captur E-TECH techno is a modern plug-in hybrid that combines efficiency with practical design. As a single-owner vehicle, it has been well maintained and offers a reliable choice for those seeking a recent model. Under the bonnet, it features a 1.6-litre petrol plug-in hybrid engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations.The vehicle is equipped with several features designed to make daily driving more convenient and efficient. It includes both a 3-pin socket charging cable and a 6-metre Mode 3 cable, providing flexibility for different charging situations. Drivers can manage their energy use effectively through the Easy Link multimedia system, which allows for scheduled charging as well as pre-setting the heating and air conditioning. Inside, the cabin features a configurable 10-inch full digital virtual cockpit that displays essential information, including map replication and advanced driver assistance system data. Safety and ease of use are further enhanced by automatic headlights, while the low insurance group rating makes this model a sensible and cost-effective option compared to many other vehicles in its class., 0 owners, Synthetic Leather-Cloth - Black and Grey with Grey Stitching, Boston Blue with Diamond Black Roof, 18in Alloy Wheels - Pasadena - Diamond Cut with Grey
