Description

FOR SALE A formidable Audi Cabriolet with only 12,586 miles from new in exemplary condition. **EQUIPMENT** Fully zinc galvanised bodywork, four-seater capacity, sports suspension, multilayer fabric hood, halogen headlamps, front integrated fog lights, Electronic ABS (anti-lock braking system), anti-theft device with advanced immobiliser, heat insulating tinted glass, heated twin jet windscreen washers, sports front seats, electric windows, central door locking, electrically adjustable and heated door mirrors, oil pressure gauge, oil temperature gauge, battery voltage gauge, toolkit, warning triangle, load facility ski-bag. **Factory Options:** Lifestyle metallic paintwork, wind deflector. **Accessories:** Genuine Audi tailored mats, soft indoor car cover. **EXTERIOR** This splendid Audi Cabriolet could be a one off example owing to the mere 12,586 miles covered from new. Finished in striking factory optional Lifestyle Pelican Blue metallic, (Code LY5T), the original paintwork is simply exceptional with a glossy uniform finish to the pin straight factory body panels. The beautifully fitted trim sections and chrome finishing's are perfect, as is the hood to which the multi-layer fabric is flawless and the rear screen fully intact with only the faintest of marks. All glass is factory fitment including the windscreen showing some minor delamination to the lower corners. The original supplying dealer number plate

surrounds and tax disc holder remain fitted. The underside is superbly preserved with the rear crossmember still showing clear factory markings! Outstanding and a sure show winner! INTERIOR This unspoilt example is trimmed in factory original Cubus design with Vienna Leather side facings in respective Azure Blue/Anthracite, (Code W). The door cards are as new and the carpets are preserved and still protected by genuine tailored Audi front over mats. The supreme build quality can be felt in all buttons, controls and functions, all of which operate perfectly and feel like new. All LCD displays are fully clear with no failed pixels and the original Delta RDS radio/cassette is fully operational. The additional three gauges in the lower centre console incorporating oil pressure, oil temperature and voltmeter operate correctly. Even the luggage nets to the rear of the front seats, usually very stretched, are perfectly taught. Lifting the spotless boot carpet reveals the untouched spare wheel, original Jack and tool kit, and the boot floor displays the factory options sticker. The optional wind deflector and storage bag, toolkit and warning triangle are correctly stored. ENGINE & TRANSMISSION Factory fitted with the reliable, smooth and quiet 1.8 litre four-cylinder engine, this efficient powerplant produces 125bhp with performance figures quoted at 121mph top speed and 0-62mph in 12.2 seconds, only marginally behind the heavier 2.6 V6 variant! The engine bay is pristine with factory plates and stickers proudly displaying the factory perfect originality of this example. The five-speed manual transmission operates with exact precision to reflect the ultra-low mileage covered. WHEELS, TYRES & BRAKES The six-spoke design 7J x 15 alloy wheels are unmarked with immaculate Audi centre caps. Premium Dunlop SportBluResponse tyres have been fitted with ample tread. The Advanced Anti-Lock System (ABS) features discs to all four wheels to offer powerful, assured and safe braking power. HISTORY FILE Supplied new on 3rd October 1997 by Stanwell Audi of Boston, this exceptional example was purchased new by Mrs Banks who owned the car until 2014. After 17 years of ownership, a family friend and self-confessed serial car collector persuaded her to allow him to buy the Audi whereby it joined his collection of 150+ classic cars as well as trains, planes and many other eclectic modes of transport! Dry stored in one of several aircraft hangers, the car was brought out of its resting and fully recommissioned to include a major service, cambelt/auxiliary belt, braking system overhaul and inspection and new premium brand tyres, all carried out in September 2023 using genuine Audi parts. A further service has been carried out in June 2025 and again in June 2026 using genuine Audi parts despite having covered minimal miles. A car well known to KGF Classic Cars, we are delighted to have been offered the car back to find a new appreciative connoisseur. All handbooks, guides and dealership literature have been kept in the immaculate black leather wallet. Completing the history file is a neat folder of invoices and MOT certificates as well as a safety recall to Peterborough Audi in November 2023 which included a health check, a copy of which is in the file. Three original Audi keys with code tags and dealer leather fobs plus the master blade and Audi Cabriolet sales brochures are included. Stunning in every conceivable respect and one for the perfectionist. MOT June 2027, HPI Clear.

About Us

KGF Classic Cars was formed by the owner's desire to pass on the enjoyment of amazingly original, modern classic cars and the pleasure these vehicles offer to their appreciative owners. The eldest son of Italian-born parents – whose families came to the Cambridgeshire Fens after WWII to make bricks for new housing – Karl Fasulo grew up in the 70s and 80s when there were fewer cars on the roads. His appreciation of beautiful motors began when his engineer father, Sav, purchased a red 1983 Mercedes 280SL as a weekend car back in 1985. That same Mercedes is still well-loved and driven regularly by Karl and is now in the showroom for all to see! After a successful career spanning two decades selling and managing premium vehicles for dealerships in London and Cambridgeshire, Karl decided to set up KGF Classic Cars, to source original, modern classic cars and share them with like-minded knights of the road. He says: "As a kid, I would squeeze in the back of our lovely red Mercedes with my brother and sister (seatbelts were not mandatory at that time!) – Mum and Dad in the front and all of us enjoying the outing. I would gaze out at other cars and my brother and I would shout out all the makes and models of the ones going by! "With encouragement from my father, I entered the world of classic cars at 15, when I saved up and bought a 1964 Riley Elf Mk 2. This car was cleaned and polished every weekend until I was 17 when I threw away my L-plates and took to the road. My interest never subsided, even during my career at BMW – to the point where driving these older cars gave me more pleasure than the modern offerings. Perhaps it is just happy childhood memories, but there is something about those classics which draws me back to them every time . . ." He added: "I consider it a privilege to meet and do business with people who love them as much as I do. So, whether you are buying or selling – or just browsing (taking a spin down memory lane, perhaps!) I hope you enjoy this website." All the vehicles offered by KGF Classic Cars are personally checked, meticulously inspected and driven by us to ensure they meet the incredibly high standards that are becoming very hard to find. The cars are eventually selected with the ultimate aim of providing the new owner with the best possible experience of that model, whatever it may be. Visit our purpose built secure showroom for viewings, test drives and a relaxed buying experience, whereby fresh coffee and refreshments can be enjoyed in a friendly and lighthearted environment.
