Astonishing condition commensurate with the ultra-low mileage and pampered care. INTERIOR Preserved in keeping with such low mileage is the factory optional Black Classic leather upholstery, (Code R7SW), which is spotlessly clean with firm bolsters retaining correct shape. The leather trimmed steering wheel still shows prominent grain to the rim and the matching black door cards and carpeting are impeccable, the latter still protected by the genuine BMW carpet mats. The dashboard is perfect and houses fully functioning equipment to include the original BMW Business stereo system which features a factory optional 6-disc changer in the boot. The boot area is pristine with jack as well as genuine BMW warning triangle, tool roll and first aid kit. The often-lost maintenance card in the boot lid sleeve is still present and the boot carpet even has the small felt jack locator sticker still attached! A fabulously preserved interior, ready for open top enjoyment in seconds. ENGINE & TRANSMISSION The immaculately clean engine bay complete with factory stickers and labels is fitted with BMW's proven 1895cc bulletproof four-cylinder engine. The power output of 118bhp and 180Nm maximum torque achieves 0-62mph in 10.4 seconds and a top speed of 122mph. The five-speed manual gearbox is precise and slick in operation and the overall performance is everything you would expect from a low mileage and cared for ultimate driving machine. WHEELS, TYRES & BRAKES Beautiful BMW alloy wheels in Cross Spoke Style 42 were an expensive £1,575 factory option. The wheels are in superb condition with no kerb damage and the BMW roundel centre caps perfectly preserved. Matching Michelin Primacy 225/50 R16 tyres were fitted in October 2026. Front and rear disc brakes with anti-lock assistance (ABS) offer superb stopping power. HISTORY FILE Supplied new by BMW Main Dealers, Lind of Norwich, this example was registered new on 26th April 2002 and has covered a documented 11,867 miles from new. Paperwork in the history file details the purchase new price of just over £20,000 including factory options. The original BMW black leather wallet houses all handbooks, and both sets of keys with dealer fobs. A folder of service invoices and previous MOT certificates is present, and the most recent full service was carried out in October 2026. The previous owner of around eight years is a BMW fanatic and member of the BMW Car Club who in the early years of ownership took the car to local classic cars shows where it won several awards. Such was his passion for the car that he invested in a scissor car lift for his home garage so that he could detail the underside of the car and wheel apertures! This prime example is also supplied with a BMW personalised registration number. A unique opportunity to acquire an unspoilt, pampered and exceptionally low mileage example of the now highly collectable Z3. MOT October 2027, HPI Clear.

About Us

KGF Classic Cars was formed by the owner's desire to pass on the enjoyment of amazingly original, modern classic cars and the pleasure these vehicles offer to their appreciative owners. The eldest son of Italian-born parents – whose families came to the Cambridgeshire Fens after WWII to make bricks for new housing – Karl Fasulo grew up in the 70s and 80s when there were fewer cars on the roads. His appreciation of beautiful motors began when his engineer father, Sav, purchased a red 1983 Mercedes 280SL as a weekend car back in 1985. That same Mercedes is still well-loved and driven regularly by Karl and is now in the showroom for all to see! After a successful career spanning two decades selling and managing premium vehicles for dealerships in London and Cambridgeshire, Karl decided to set up KGF Classic Cars, to source original, modern classic cars and share them with like-minded knights of the road. He says: "As a kid, I would squeeze in the back of our lovely red Mercedes with my brother and sister (seatbelts were not mandatory at that time!) – Mum and Dad in the front and all of us enjoying the outing. I would gaze out at other cars and my brother and I would shout out all the makes and models of the ones going by! "With encouragement from my father, I entered the world of classic cars at 15, when I saved up and bought a 1964 Riley Elf Mk 2. This car was cleaned and polished every weekend until I was 17 when I threw away my L-plates and took to the road. My interest never subsided, even during my career at BMW – to the point where driving these older cars gave me more pleasure than the modern offerings. Perhaps it is just happy childhood memories, but there is something about those classics which draws me back to them every time . . ." He added: "I consider it a privilege to meet and do business with people who love them as much as I do. So, whether you are buying or selling – or just browsing (taking a spin down memory lane, perhaps!) I hope you enjoy this website." All the vehicles offered by KGF Classic Cars are personally checked, meticulously inspected and driven by us to ensure they meet the incredibly high standards that are becoming very hard to find. The cars are eventually selected with the ultimate aim of providing the new owner with the best possible experience of that model, whatever it may be. Visit our purpose built secure showroom for viewings, test drives and a relaxed buying experience, whereby fresh coffee and refreshments can be enjoyed in a friendly and lighthearted environment.
